

Monthly Branch Meeting Agenda, Minutes and Newsletter

Wellsford Library - 13th July 2019, 10:00

Club Contact	Richard Paul	ZL1DP	rentdrive@xtra.co.nz	09 425 7233
President	Gary Ball	ZL1FAB	gary@theballz.co.nz	020 425 9902
Secretary	Ross Boswell	ZL1DRB	zl1rod@med.co.nz	
Treasurer	Paul Sole	ZL1VPS		

Agenda

- Members In Attendance/Apologies/Visitors
- Confirmation/Actions from Previous Minutes
- Correspondence In/Out
- Financial Report
- Members Platform
- AREC Report
- Repeater Trustees Report
- General Business
- Close of Formal Section of Meeting
- Education/Entertainment Segment
- Presentations

Members Present at Meeting

- Alan Dale, Albert & Ria Olivier, David Frith, Mark Windram, Richard Paul, Ross Boswell & Gary Ball.

New Members

- None

Visitors

- None.

Confirmation/Actions from Previous Minutes

- May Meeting Minutes and Newsletter has been received and accepted as distributed.

Correspondence In

- Newsletters and other electronic correspondence have been forwarded to the members by the Secretary.

Correspondence Out

- Various emails by the Secretary have been sent out, newsletters from other branches.

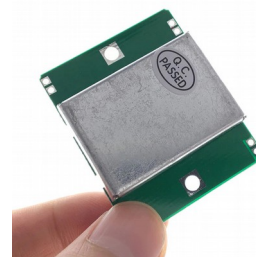

Financial Report

- No update this month.
- Reminder to pay subs (if you haven't already). Also remember that subs have risen this year to \$25.
- New subscription category for family/couples. This has been set to \$40.

Members Platform

Anything raised by club members or radio stuff you want to show/tell the club about.

- **Albert - Squid Pole.** Albert showed us his squid pole, purchased from Ali Express for approx. \$44.
- **Ross – RF Interference.** Ross is looking into power line noise issue and is going to contact Vector to see what can be done. Ross also showed a purchase made from Ali Express which is a microwave Doppler radar module – here's a link to one seller on Ali Express,
<https://www.aliexpress.com/item/Fast-high-qualityHB100-Microwave-Doppler-Radar-Wireless-Module-Motion-Sensor-HB100-10-525GHz-Radar-Detectors-in/714490970.html?>
- **Gary – Sign for meeting.** I suggested we have a sign outside the meeting room in the library to catch potential new members. There seems to be quite a bit of "foot traffic" on a Saturday morning so you never know! I also came to the meeting armed with my recently built CW decoder but ran out of time to show it!
- **David – 2m/70cm Dipole.** Our latest member, David ZL1QV, has wasted no time and made himself a very nice looking and performing dipole for VHF/UHF use. David has written a detailed article about this which will be made available shortly.

AREC - Report and Activities

- Nothing reported

Repeater – Trustee's Report and Activities

- The repeater seems to be behaving itself of late after having a bad time in recent months. We will continue to monitor the situation and take follow up action should it go AWOL again.
- Our Thursday VHF net still suffers from poor attendance but recently has been boosted by David and Albert and is very much appreciated. Just a reminder to others that if you can get on the 730 net once in a while, that would be awesome!

General Business

Website/Mailing List

- Website continues as normal – check it out regularly, it's one of the clubs primary sources for information and resources <http://zl1rod.org>.

Formal Meeting Closed - 12:00

Next Meeting

The next meeting of the Rodney Amateur Radio Club will commence on,

Saturday 10th August 2019 at 10:00AM

Meeting Room, Wellsford Library

Please note, we will be hosting some members from the Whangarei Branch and they will be giving a talk.

Education/Entertainment

- Alan did not show any videos this time around due to lack of time during the meeting.

Presentations

- None

Over and Out

The bands are in a pretty shocking state of late and I can only assume this is the reason why my call for help for a person, or persons, to run the CW/HF nets resulted in no response. I will not ask again and hence, both these projects are now shelved.

For the next meeting (August) we host some members from Branch 28 and they will be giving a talk and it would be nice for as many of us to be there to welcome them. In October Vaughan Henderson will be at our meeting to give a talk about the Klondyke repeater repairs etc. I think it would be a nice gesture if we (as a club) offer a donation to the repairs – I have already made a personal donation to the Klondyke fund.

A useful website for buying/selling radio gear has recently been brought to my attention. For those wanting to check it out – <http://zlham.net.nz>

Thank you everyone for supporting the club. Enjoy your radio and radiate that RF!

73 and going QRT...
